Infagard

£14.99

Immune System Boost

Infagard, with powerful ingredients such as Echinacea, Goldenseal and Garlic, should be used to help the body boost the immune system. Just a few drops under the tongue will help the body to fight foreign organisms causing infection and inflammation.

Helps in the management of the following symptoms:

- Sneezing
- Body aches and pains
- Sore throats
- Congestion
- Chills
- Upset stomach

- Athlete's Foot
- Bladder Infection
- Boils
- Bronchitis
- Candidiasis
- Colds & Flu - Management
- Coughs
- Ear Infection
- Fever
- Immune System Support
- Infection
- Nasal Congestion

- Thrush
- Tuberculosis
- Ulcers (Stomach)
- Warts
- Yuppie Flu (ME)
